

European Interparliamentary Space Conference (EISC) Workshop 2017

MAKE SPACE – Make it Happen
21-23 May 2017
Tallinn and Tartu, Estonia

PROGRAMME

Monday, 22 May

10:45 Arrival at Tartu Observatory – *Estonian Space Research and Technology Centre* (www.to.ee)

11:00 Session 1 – Let’s Get Inspired!

Opening words by **Ms Liisa Oviir**, Chairwoman of XIX EISC
Keynote speech by **Mr Matt Taylor**, ESA Mission Scientist
Presentation by **Mr Priit Salumaa**, Co-Founder of Mooncascade, Garage48 Foundation and MobileMonday Estonia

12:30 Lunch

13:30 Session 2: Is the Digital World Real?

Presentation by **Mr Kristjan Vassil**, PhD, Head of Center of IT Impact Studies (CITIS) at the University Tartu
Presentation by **Mr Mart Noorma**, PhD, Vice Rector for Academic Affairs at University of Tartu, initiator of Estonian Satellite Project ESTCUBE

14:30 Simulation Space Hackathon – How is it actually working?

Introduction to space applications and work in the workgroups:

(1) Space Hackathon Estonia at SPARK for ESA BIC teams and students.
Workgroup leader **Mr Andrus Kurvits**, Tartu Science Park / ESA BIC Estonia

(2) Big data applications for services related to positioning. Workgroup leader **Mr Erki Saluveer**, Positium

(3) Conquering the Market Failure in Earth Observation Services.
Workgroup leader **Mr Kaupo Voormansik**, PhD, Tartu Observatory, KappaZeta

(4) Big investment- Tests in Space Technology labs. Workgroup leader **Ms Mari Allik**, MSc, engineer at Tartu Observatory

(5) The Big Picture – space observations via virtual observatories. Workgroup leader **Mr Taavi Tuvikene**, PhD, Tartu Observatory

(6) Education and 21st century skills. Workgroup leader **Mr Mart Noorma**, PhD, University of Tartu

(7) Space Strategy for Europe. Workgroup leader **Ms Anu Reinart**, PhD, Tartu Observatory

16:00 Coffee break

16:30 Conclusions: How to transfer the knowledge and skills to society?

Discussion moderated by **Mr Frank Salzgeber**, Head of the Technology Transfer Programme Office at European Space Agency (ESA)

Presentations by workgroups. Conclusions and statement for EISC 2017 Plenary Session.

18:00 Transfer from Tartu Observatory (Tõravere) to Tartu by bus

Tuesday, 23 May

9:30 Walking tour in Tartu with stops at:
Old Observatory (<http://www.tahetorn.ut.ee/en>),
University of Tartu main Building (www.ut.ee/en),
sTARTUp Hub (<https://www.contriber.com/startup-hub/>),
Tartu Science Park Demo Centre (<http://www.teaduspark.ee/en>)

11:30 Joint session with participants of ESA BIC Space Hackathon in order to create common input for EISC Plenary Session in November 2017.

12:30 Lunch in conjunction with ESA BIC

Contact at the Estonian Parliament (Riigikogu):

Ms. Kadri Lutter

Adviser at the Foreign Affairs Department / Adviser to the Estonian Delegation to EISC
Email: kadri.lutter@riigikogu.ee, phone +372 631 6397, mobile: +372 53 98 9818

Contact at the Tartu Observatory:

Ms. Tiia Lillemaa

Email: tiia.lillemaa@to.ee, mobile +372 51 76 596, skype: tiia.lillemaa
